# CAMP NOYO

WEDDING INFORMATION PACKET

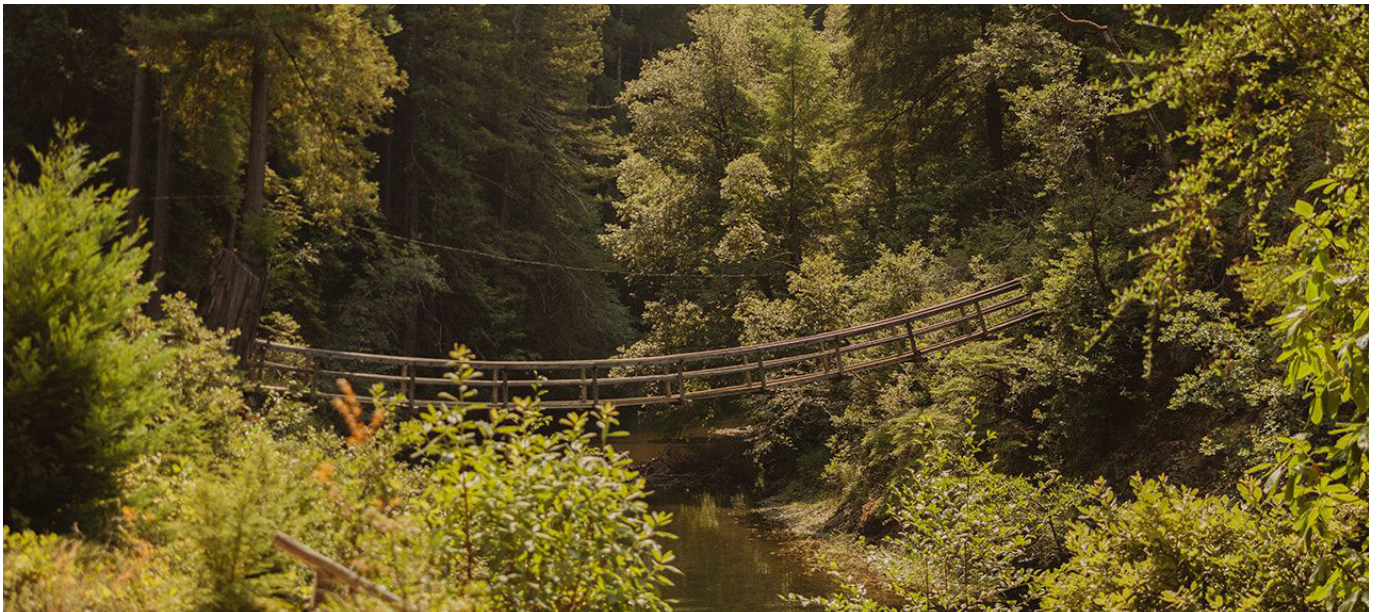

# Welcome to Camp Noyo

Camp Noyo is one of the most unique and enchanting event venues in California and is situated on 40 acres of redwoods in Mendocino County, just a couple hours north of the San Francisco Bay Area.

Besides towering redwoods, the Noyo River meanders through the property while six cabins are woven into the landscape. An additional 11 campsites, fully stocked, add to the fairy tale setting and lodging capacity.

The historic property has been updated to meet all modern needs while still retaining its classic and idyllic look and feel. Our industrial kitchen sits inside the main cabin, and our main camp sits next to an outdoor area that is perfect for dining, dancing, games, and lounging around our spacious campfire area. We have a built-in outdoor redwood main stage, along with an outdoor amphitheater and a cozy fire pit.

The property has a camp store, archery range, games galore, rope swing and special hidden nooks and crannies. We are located eight miles from the highway and one-hour from the spectacular Mendocino Coast and dozens of world class wineries. Camp Noyo is truly the best of all worlds and a “greatest hits of what California has to offer.”

# Your love story starts here

Available to the public for the first time in 60+ years, this hidden coastal valley is a historic camp that has re-opened it's doors. Escape into the twinkling forest to return to everyday life with a renewed sense of wonder.

# Venue Features

## THE SCENE:

100+ years of history are the backdrop for our stunning property. Today, Camp Noyo is a premier venue to gather friends, family, and colleagues for diverse public and private gatherings. We strive to find a balance between “rustic” and the finer touch points. In this day in age, our goal is to allow you to slow down and connect with nature, friends and yourself.

Stepping foot on our property creates an immediate reaction and will have you saying “wow” over-and-over again, and will give you the feeling of simpler times. Looking up at the *tall* trees, breathing the clean crisp air, swinging on a rope swing, and settling in to your cozy cabin or tent site is immediately grounding and comforting.

Rounding out the experience are little touches like an ideally situated hammock, games, s’mores and campfires and trails meandering all over.

## ACCOMODATIONS:

- + Six cabins with capacity from 4-8 people plus a honeymoon cabin.
- + 11 tent sites, including one pull-in site for campers. Tent sites can sleep 6-10 people (fully equipped with all the gear.)

## AMENITIES:

- + A/V equipment
- + Bridal suite/  
changing rooms
- + Ample parking
- + Dining chairs
- + Dining tables
- + On-site restrooms

# Standout Features

Nature is center stage as you have your own private redwood forest and river. Enjoy all the fun that's to be had in one of our numerous swimming holes are found along the 1/2 mile of river front.

## DESIGN:

Nature is the star at Camp Noyo, but we have a beautiful and very nostalgic property that everyone appreciates. Classic wood signs, knotty picnic tables, string lights, hammocks, expansive decks, and idyllic cabins are all part of the design. Lighting is subtle and appropriate; enough to feel safe but not so much you can't see the brilliant stars at night.

Ownership and key staff have a long and storied history in the hospitality, event and outdoor industry, so you will be well taken care of.

## EXTRA PERK:

We have 20 picnic tables, redwood benches, hammocks, serving plates/bowls/cups and utensils, games galore. We also include a small professional sound system, AV equipment and a built in stage around a redwood fire pit cove.
